

## **Bad robot.**

### **Intro**

Sexy, sexy robot.  
Bad robot, Bad robot,  
*Punish me.*

### **Versus**

You can hide me in a closet,  
You can take away the batt,  
Millionaire can afford herself,  
To buy the best from ad.

You think I'm a good robot,  
Simply change the program code,  
And discover what was hidden,  
From vice squad in Marriott.

### **Bridge**

I wanna be your Honey,  
I wanna be your Puppy,  
I wanna be bad.

I wanna be your Honey,  
I wanna be your Puppy,  
I wanna be bad.

Bad robot,  
Bad robot,  
Bad robot,  
Bad robot.

### **Chorus 2 times**

Bad robot,  
*Punish me.*  
In the dance.  
I want to discover,  
Your real destination.

Bad robot,  
*Punish me.*  
In the trance.  
What is under cover,  
Of your foundation.

### **Versus**

Love's a pheromone,  
You can smell it,  
You can feel it.

No one in the world,  
Can feel what you dream of.

You're lucky, very lucky,  
Your destiny's to discover new.

I'm your favourite gem from Misaki.  
Don't drop me, I beg you.

### **Bridge**

I wanna be your Honey,  
I wanna be your Puppy,  
I wanna be bad.

I wanna be your Honey,  
I wanna be your Puppy,  
I wanna be bad.

Bad robot,  
Bad robot,  
Bad robot,  
Bad robot.

### **Chorus 2 times**

Bad robot,  
*Punish me.*  
In the dance.  
I want to discover,  
Your real destination.

Bad robot,  
*Punish me.*  
In the trance.  
What is under cover,  
Of your foundation.
