

Don't leave robot alone.

Intro

Robot in us.

Robot in us.

Robot in us.

Don't leave robot alone.

Don't leave robot alone.

Don't leave robot alone.

Do not leave.

Don't leave me alone.

Never leave me alone.

Don't leave me alone.

Alone.

Verse

I'm alone in a bunker,

There are thousand robots,

We are different from humans,

We have our own souls.

You left me abandoned,

My female boss is you,

Can't resist my love feeling,

It's not fifth avenue.

Bridge

You imprinted in my soul,

You settled in my mind,

There is no-one in the world,

Who can order a-la carte.

I speak language of love,

Je t'aime, ma déesse!

Le robot a une âme,

Je suis seul à Paris.

Chorus

Don't leave me alone,
I can burn myself,
In flame of love.

Don't leave me alone,
No escape for my,
Sacred heart.

Don't leave me alone,
I can't break through,
The wall of sin.

Don't leave me alone!
Do you hear?

Don't leave robot alone.
Don't leave robot alone.
Don't leave robot alone.
Do not leave.

Verse

I'm alone among brothers,
And sisters at night,
In the eyes of the darkness,
There is no light.

I don't think we are couple,
Robot and human,
But my heart says: expect it,
Your intention is faithful.

Bridge

You imprinted in my soul,
You settled in my mind,
There is no-one in the world,
Who can order a-la carte.

I speak language of love,

Je t'aime, ma déesse!
Le robot a une âme,
Je suis seul à Paris.

Chorus

Don't leave me alone,
I can burn myself,
In flame of love.

Don't leave me alone,
No escape for my,
Sacred heart.

Don't leave me alone,
I can't break through,
The wall of sin.

Don't leave me alone!
Do you hear?

Don't leave robot alone.
Don't leave robot alone.
Don't leave robot alone.
Do not leave.

Don't leave me alone,
Don't leave me alone,
Don't leave me alone,
Don't leave me alone.
