

Ronda.

Verse

You can leave me in the dark of night,
To dissolve yourself in fog of young cold spring,
I won't tell you - not a word tonight,
I surrounded by sad thoughts and I sing,

My dear,
I hold you in my arms again,
You disappear,
Please, stay with me at night.

Bridge

Ronda,
I feel I am lonely,
I feel you are the only,
Dancing queen of Orly.

And I feel so lonely,
Man for you in Orly.
I feel I'm the only,
Ronda, you're my hope, stay..

Chorus 2 times

We would fly together as we did last night,
Little Ronda, you're the only in my dreams,
We will love each other in the future lives,
Little Ronda, you're the only as it seems.

Verse

My dear,
God sent you little baby boy.
And I don't know what's the name of him.
Colours of a ruby toy have blended with
The flavour of the sin.

I hold you in my arms again,
You - disappear,
Stay with me tonight.

Bridge

Ronda,
I feel I am lonely,
I feel you are the only,
Dancing queen of Orly.

And I feel so lonely,
Man for you in Orly.
I feel I'm the only,
Ronda, you're my hope, stay..

Chorus 2 times

We would fly together as we did last night,
Little Ronda, you're the only in my dreams,
We will love each other in the future lives,
Little Ronda, you're the only as it seems.

Outro

Ronda,
I feel I am lonely,
I feel you are the only,
Dancing queen of Orly.

And I feel so lonely,
Man for you in Orly.
I feel I'm the only,
Ronda, you're my hope, stay..
